Re: Parqwood Apartments Boiler Situation

LMHA would like to inform the media and our constituents that all parts for the Parqwood Apartments boiler have been obtained and the repairs have been made. Hot water has been restored to the complex. Maintenance will continue to monitor the boiler.

We regret that this situation has been inconvenient for the Parqwood residents, we apologize for your inconvenience. LMHA takes the comfort of residents very seriously and we do whatever we can to ensure they have safe and comfortable housing.

Any further questions can be directed to LMHA at: 419-259-9457.
