### **External Partners:**

The government shutdown has affected the Department of Housing and Urban Development (HUD), which allocates funding for Public Housing Authorities, including LMHA. HUD's funding ended on Friday, December 21, 2018. We will receive funding allocations for January and February 2019. LMHA is in the process of developing its contingency plan in the event the government shutdown extends beyond February 2019.

LMHA will keep all affected parties posted in the coming days with its plan of action. If you have any additional questions, please contact Demetria Simpson @ 419-259-9457.
